

A notice to all who have received the COVID-19 “vaccine”

The COVID-19 “vaccines” have FAILED!

The “vaccines” do NOT prevent people from being infected with SARS-CoV-2.

The “vaccines” do NOT prevent people from transmitting SARS-CoV-2 to other people.

THE “vaccines” do NOT prevent people from getting COVID-19.

The “vaccines do NOT prevent people from being hospitalized with serious COVID-19.

The “vaccines” do NOT prevent people from dying from COVID-19.

The “vaccines” and the “boosters” were designed to produce a version of the spike protein from the original Wuhan virus that is no longer in circulation. This is like taking a jab for last years flu. It's insane.

The “vaccines” are “leaky”, which means that they have failed to fully neutralize SARS-CoV-2, which has enabled it to mutate, escape and continue to spread even faster.

The “vaccines” have NOT generated herd immunity, and they never will because they were poorly designed and have failed to provide lasting immunity.

Despite false claims of safety, tens of thousands of people have DIED as a direct result of receiving the “vaccines.” Additionally, tens of thousands of people have been permanently disabled and hundreds of thousands of people have been seriously injured by the vaccines.

Despite false claims of effectiveness, real-life data clearly shows that those who have been “vaccinated” are dramatically MORE LIKELY to contract COVID-19.

The spike protein has been shown to interact directly with key tumor-suppressor genes p53 and BReast CAncer gene (BRCA).

Overall immunity is NOT accurately determined by an overly simplistic measurement of antibodies. The “vaccines” have been shown to actually imbalance the immune system, leading to increased risk for many diseases. The risks far outweigh the benefits.

The mainstream media and social media and tech companies have clearly censored truthful health related information regarding early treatment of COVID-19.

YOU have had effective treatments kept from you and your loved ones.

YOU have been lied to multiple times, by many, many people.

YOU have had your most fundamental rights and freedoms violated.

YOU have been abused financially, emotionally and psychologically.

YOU have been lied to about injections that are NOT safe and NOT effective. A multi-billion dollar propaganda campaign has been used to manipulate the truth in order to control your mind.

YOU have been tricked into believing that these dangerous injectable bioweapons are “vaccines.”

Sacrificing your individual rights for the “greater good” does NOT include injecting children (who are not at risk) with a biological weapon that causes permanent harm, damages the immune system and increases the risk of both catching and spreading COVID-19.

The best way to support the “greater good” is to stand up for everyone's rights and freedoms by opposing censorship, coercion, abuse and tyranny in all its forms.

Open your mind to the fact that the mainstream media and the medical, hospital and pharmaceutical industries do NOT have your best interests at heart.

THE VACCINES HAVE FAILED

ACCEPT THAT FACT

ACT ACCORDINGLY
